

## City Council Approves Lower Greenville Proposal

January 25, 2011

On Wednesday the City Council approved the new planned development district for Lower Greenville. DHL wants to thank and congratulate all the plan's supporters, especially the neighborhood associations who were involved and City Councilmembers Angela Hunt and Pauline Medrano. We look forward to seeing the results of the plan and believe that it will make Lower Greenville a more enjoyable destination for Dallas residents as well as significantly improve

the quality of life for the adjacent neighborhoods.
